Ancient Wisdom from scripture tells us that where there is no vision, people will perish. It reminds us that the heart of man plans his way, but God establishes our steps. And it tells us to be careful how we think as our life is shaped by our thoughts. This is the foundation of what I teach. Let's get clear on your dream. Let's make plans. And let the fun begin!

You will learn:

- Two essential keys for tuning into your purpose.
- A 5-point test for determining whether your dream is right for you.
- Simple thinking-strategies that will guard you from fear, doubt and worry.
- What successful people do that creates sustained success.
- The number one factor that causes people to lose steam when going after a dream, and how to stay motivated and override it.
- A proven method for dissolving resistance you may have to prosperity so you can attract higher levels of results and abundance.
- The 1 critical thing you must give up in order to reach your dream.
